This statement shall be interpreted with the RESPONSIBLE PARTY as a whole.

Under This Statement is issued by SGS-CSTC Standard Greenhouse Gas Validation & Verification Services. The Client shall be responsible for the accuracy of the data provided. A full copy of this statement, the findings and the conclusions shall be provided to the RESPONSIBLE PARTY. This Statement does not relieve Client from its obligations or with any guidelines issued pursuant to such regulations. This Statement shall have no responsibility vis-à-vis parties other than the Client. The verification statement of greenhouse gases is confidential and shall not be disclosed to any third party without the Client's prior written consent.
